Sold**Item Reference: SA525196****Date of manufacture: 1930**

Description

A 1930s pocket watch and double chain. The watch has a Swiss 15-jewel stem-winding movement which is working nicely. The watch measures 45mm diameter excluding the winding stem and the loop. The case is gold filled and was made by J Bréguet-Breting who registered the JBB mark in 1910. There is a three dimensional block pattern to the back. There is some rubbing to the pattern, and slight unevenness. The acrylic lens is in good condition. The dial is in its original finish which has darkened over the years, and has a little marking. Handsome Breguet style hands, a subsidiary seconds dial and outer minute markers. The watch comes with a double albert with each chain measures 22.5cm long including the T-bar and the clasp. The watch and chain will be sent in a new presentation box. Free worldwide shipping
