Description

A gents 1959 Eterna wrist watch. The watch has a 1408 hand-winding movement which is working nicely. The movement is signed with the Eterna name and the serial number 4,380,388 which dates it back to 1959. The watch itself measures 32mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in good condition with just light surface marks. The winding crown is a later non-Eterna replacement. The inside of the screw-on case back is also signed Eterna. The back of the watch has a previous owner's initials. The lens is in good condition. The dial is in good condition with original hands, centre seconds and outer minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
