Description

This antique walnut cocktail cabinet has a quirky style of its own. It's in good condition & the inside has glass shelves that aren't showing in the images. The top section is all burr walnut with striking patterns & has canted corners. The solid walnut legs have an elongated fluted shell carving running all the way down the legs. This drinks cabinet dates from around the 1920's period. There is a light inside, but that would need to be re-wired if one wanted to use it. Width – 39.4 inches, 100 cm Depth – 20.5 inches, 52 cm Height – 60.2 inches, 153 cm
