Description

A very beautiful sienna marble mantel clock of nice proportions. An 8 day movement by Jappe of Paris, striking on a gong on the half-hour and hours. It has just been fully serviced by our BHI registered staff. A superb convex enamel dial with black Roman numerals and outer five minute markers in Arabic numerals. It is completely free of any chips, cracks or crazing. A gilt brass, rope effect bezel and bevelled glass. To the top and front, the gilt brass adornments are in lovely condition and much brighter than our photos depict. The clock stands on slim brass feet. A really charming and delightful clock. All cards accepted.
