Description

This antique walnut cocktail drinks cabinet is exceptional quality & has some wonderful features. It's of quite small proportions which is quite unusual. Check out the pattern the unusual walnut veneers create on the two doors. The hinges & escutcheons are all embossed brass. Behind the doors is a sycamore lined interior, with glass shelves & a pull out mirrored slide for serving drinks on. There is also an interior light which will need to be checked & re-wired. The bottom section has some magnificent deep carvings between the legs & on the tops of the legs. It even has carved ball features under the feet. You need to enlarge all the images to appreciate all these features. This cabinet is in excellent condition, having just been polished. I would date it to around the 1920's period. Width - 32.3 inches, 82 cm Depth - 21.7 inches, 55 cm Height - 59 inches, 149.5 cm
