Description

I was delighted to have found this wonderful Victorian Fern Ware book in such wonderful condition with no damage to the decorated wooden panels to both the front and back. This illustrated edition of the Poetical Works of John Milton was printed in 1874 and published by T. Nelson And Sons. The book was gifted as a prize to Rebecca Hutson at the Norwich Training College in eastern England, and dated 1880. The book also retains it's little bookshop label "Hanchett, Norwich". The fernware panels to the back and front are both in pristine condition and the interior is excellent with foxing or staining commensurate with age. Measures 6 5/8" x 4 1/2". Item ID: 31007 ----- FREE Worldwide Registered Airmail, Insurance Optional.
