Description

Edwardian 18ct Gold Diamond & Sapphire Daisy Cluster Ring" Circa 1910 Beautiful The ring is in very good condition with no dings or dents and there are no stones missing from the ring. It is marked on the inside of the shank "18ct" for 18 carat gold. The ring is set with a sapphire in the centre and it is surrounded by 8 diamonds which have an approx total diamond weight of 40 points. The ring is an English finger size "Q" but could be sized up or down by a working jeweller for a small fee. The top of the ring measures 10mm in diameter and it weighs 2.0 grams. A very pretty piece of antique jewellery which would make a fine addition to any collection of jewellery or a nice present for the lady in your life. e
