Description

Decorative French Painted Doors This is a very attractive trio of mid 19th Century Painted panelled doors, they have come from a piece of furniture like an Armoire. The doors have been hand painted with urns, birds and cherubs with plentiful amounts of flowers and fruits in delicate tones from bronze to cream on a traditional Deep Blue Green background with the panel mouldings picked out in Gold. The doors date from the 19th Century, they are sound and made in solid wood and the paint is original, they are in good sound condition and could do with a bit of a clean up. The 2 doors shown on the outer sides are 73" tall, 22.25" wide and they are over 1" thick, the door in the centre is 73" tall, 21" wide and over 1" thick SH174.
