Description

Very impressive antique French Bonheur Du Jour in excellent condition with many fine details. The floral marquetry is exquisite & the abundant gilt bronze mounts are very fine quality. The top has gilt bronze galleries on the top & across the open end compartments. I'm not sure about the wood, but I think it's predominately kingwood & mahogany. There's also a lot of cross banding decoration & inlays, plus many other exotic woods used in the marquetry. This table has a cupboard on the top, two drawers below with locks & sits on tapered turned fluted legs. I would say this piece dates from around the 1920's period. It has just been re-polished & the stunning marquetry, plus the grains within the wood are very vivid. Please enlarge all the images to appreciate all the fine details. Width – 36.6 inches, 93 cm Depth – 18.5 inches, 47 cm Height – 45.6 inches, 116 cm Knee height – 24 inches, 61 cm
