## Description

Highly sought-after and certainly scarce, this is a truly stylish crystal decanter with beautifully cut top. This one is an early example of it's kind, undoubtedly designed by Hukin and Heath for the luxury London retailer, Asprey and Co. of Bond Street. This is a large example too, towering 13" tall. The crystal decanter is paired with English sterling silver mounts hallmarked for Birmingham 1918, 100 years old this year making it a true antique. The highly sought-after makers mark is also present for Asprey together with the Asprey London mark. Even better, it also has an English registration number for the year 1913. This is what everybody is searching for right now, glad I am able to bring this excellent example to market in excellent condition. An impressive size measuring 4 3/4" x 2 3/4" x 13" tall.
