

SA529667

1920s Omega pocket watch

Price

Sold**Item Reference: SA529667****Date of manufacture: 1920**

Description

1920s Omega pocket watch. The watch has a stem-winding movement, 19LBT1, which is working nicely. The movement is signed with the Omega name and the serial number 6,987,473 dates it back to the mid 1920s. The movement is protected by an inner hinged cover. The watch itself measures 50mm diameter excluding the winding stem and the loop. The chrome case is in good condition with just a little gentle unevenness to the back, nothing serious at all. The inside of the case back has the early Omega logo. The later acrylic lens has a small patch of short scratches but not too noticeable to the naked eye. The signed dial looks good to the naked eye. If viewed closely, there are a couple of faint hairlines through number 12. Stylised numbers, handsome shaped hands and an outer minute track with 24 hour markers. The watch will be sent in a new presentation box. Free worldwide shipping
