Description

A rare pair of very elegant XIX century dark patinated bronze comports. They have superb mother-of-pearl concave dishes with carved foliate borders. These dishes are supported by striking and alluring putto 'caryatids' standing on tiered and graduated cylindrical bases. Condition: Excellent – this superb pair of Comports are of very high quality indeed and in excellent condition. Such a striking pair of Comports will add a new dimension of elegance to even the most refined and fashionable dinner table, especially when displaying ravishing black grapes or stunning and delectable bon-bons. About the Date of Manufacture It is believed that these very rare Comports were created in about 1870. All of the items that we advertise for sale have been as accurately described as possible and are in excellent condition, unless otherwise stated. Please note that we are also able to arrange a full shipping service for our customers. We offer a 14 day returns policy. In the unlikely event that you are not completely satisfied with your purchase we will issue a full refund of the purchase price less the return transport costs with an approved courier once an item ...
