Description

A gents 9ct gold Olma wrist watch, 1956. The watch has a Swiss 17-jewel hand-winding movement which is working nicely. The watch itself measures 32.5mm diameter excluding the winding crown and the lugs. The case is 9 carat gold and there are hallmarks inside the case back for London 1956. The front of the case is in good condition. The back has a couple of 'pin prick' sized dings and a couple of surface scratches. The lens is in good condition. The signed dial is in its original finish and the concentric circles running through the numbers are a handsome feature. Original hands, centre seconds hand and outer minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
