Description

Victorian small leather library sofa This Victorian small leather library sofa, is upholstered in fine antiques leather. This Victorian sofa stands on solid walnut turned legs with its original rolling castors. The back of a delicate bowed shape, with deep buttons set into this fine quality soft leather. The seat front rail is of serpentine shape, with scrolled arms to each end. The leather is secured to the frame with brass headed studs, each one individually tapped in gently by our craftsmen. While sitting and relaxing on this sofa you could imagine the may interesting stories and events this has lived through. The original owners would have discussed the events of the times, whether it was the Boar war, events in Africa or even the major events that would have been in the newspapers reported from the East. 147cms wide (58ins) 74cms deep (29ins) 74cms high (29ins) All measurements approx.
