Description

These are a stunning pair of bedside cabinets. They are a beautiful warm colour with inlaid decoration and pretty ormolu brass applications to the sides and feet. The marble tops are beautiful quality and shaped to fit the cabinets. There is a repair to the back corner of one of the marble tops but it is very difficult to see. The workmanship is admirable with curves to the body and the drawers. Over all they are a gorgeous and practical pair of cabinets. Please feel free to contact us for more information.
