Description

Antique Waltham full hunter pocket watch, 1907. The watch has a hand-winding movement, grade 610, which is working nicely. The watch measures 52mm diameter excluding the winding crown and the loop. The case is gold plated. There are two shallow indentations to the front but other than that the case is in good condition. The winding crown pushes in to open the front cover. Inside there is an acrylic lens which is in good condition. The signed white dial is in very nice condition with blued steel hands, a subsidiary seconds dial and an outer minute dial. The watch will be sent in a new presentation box. Free worldwide shipping
