Description

Original antique Victorian Thonet bentwood rocking chair upholstered in brown leather & in good condition. The back & seat are deep buttoned & the leather is in excellent original condition. We have just had it revived & polished. Originally this chair would have had a cane seat & back, which must have got damaged. However, the leather has been on this for a long time. You can tell, because it's nicely aged with lots of character. The bentwood frame is beech & has beautiful curves all over. Width – 21.7 inches, 55 cm Depth – 38 inches, 96 cm Height – 37 inches, 94 cm Seat height – 16.5 inches, 42 cm
