Description

Antique gun metal Cyrus GT pocket watch. The watch has a Swiss stem-winding pin set movement which is working well. There are a couple of teeth missing from the winding wheel but the movement is winding well. The movement is signed Cyrus GT, and there is a protective inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case has a light surface marking from use and some surface marking to the back overall is in good condition for its age. The acrylic lens is in nice condition. The white enamel dial has a faint hairline crack at 1 o'clock but otherwise it is in nice condition. The watch has gold hands and blued steel subsecond hand. The watch will be sent in a new presentation box. Price includes worldwide postage.
