Description

A table with the wow factor is this totally authentic Art Deco modernist table dating to the 1930's. Features a very highly polished figured Burl Walnut top with an ebonised trim around the edge. The top is supported by four chrome U bend legs which sweep up and support an under tier. This table would look stunning in any setting, ideal as a center table or end table. Condition is excellent with just some age related signs to the chrome, no pitting or corrosion and the wooden parts have been fully restored and so are gleaming!
