Description

We are proud to be able to offer these wonderful bronze cabinets originating from the Victoria and Albert museum. We were lucky to buy them via Damien Hurst. The quality is, as one would expect from the V and A "simply the best". We have five 2 doors cabinets and five 4 door cabinets. They each have 3 adjustable glass shelves, mirrored back and are finished with a mahogany trim, standing on a mahogany base. The bronze is a fabulous Deep colour. This is a once in a life time opportunity to purchase cabinets of this quality and we are selling them on a first come first served basis. 1.90 m. Wide, 44 cms. Deep and 2.19 m. High. Kind Regards,
