Description

An early 19th century oak and mahogany corner cupboard that is not too big. In lovely original condition with brass H hinges, a dental cornice and a working lock and key. The fluted detail on the sides is an attractive feature. If required we will supply batons made to measure on which the cupboard can be supported. It is 39" high (99cm) and the distance from the corner to the edge of the cornice i.e. the measurement you need along the wall from the corner is 18" (46cm) This is a good buy
