Description

An outstanding boxed pair of silver condiment tubs and spoons retailed by Harrods of London. These splendid examples have round wire work bodies with undulating rims and raised pedestal bases. Presented here in their plush and silk lined box, the tubs have the original shaped blue liners and have associated silver condiment spoons from the same period. These fine and practical pieces make an attractive addition to a well laid table. Ideas for use are condiments or sauces, such as mint, cranberry, mayonnaise etc and would make a wonderful gift idea.
