Description

Good early Victorian oil on canvas landscape painting in later carved gilt frame. Nice oil painting of a river with mountains and forests to either side. A man on horse back with cattle to the foreground. I can't see a signature but the painting is quite dark in the bottom corners where a signature would be so there might be one. SIZE; 29" by 22" overall. Exact painting size is 24" by 18" CIRCA; 1850 - 1870
