Description

Early 18th Century Celtic Carved Oak Sideboard This is a very fine early carved piece, the piece is a shelved cupboard, with drawers and a shelf at the top The carved doors have centre panels carved with the heads of warriors, these are bordered by Mythical guardians on each side, and in the top section we have the shelf supported by bearded men The carving is exceptionally fine and in the Celtic style The Sideboard is in very good condition, the back has been fixed to the base to give it rigidity, this piece has been cared for and valued all of its life and it has a wonderful patina The Dresser is 48" wide, 22" deep and 60" high CE24 Good Morning, this is how deliveries work, the chest of drawers is ready to dispatch, when payment is clear, we book delivery with the furniture carrier, we deliver to their main depot each week, items are then distributed all over the country by them. The time scale depends on which parts of the country your delivery is required to and the volume at the time. They will liaise with you directly re a delivery slot, they have to work out a route covering several drops at one time. Our couriers deliver in a pre agreed 2 hour delivery slot ...
