Description

A fine George III camel back winged armchair raised on carved mahogany cabriole legs and ball and claw feet. The generous wings of this antique chair are particularly attractive, curving down to the arms, creating an unusual elegant flowing line. The condition of the armchair is excellent, it stands well and the frame is sound. We have covered the chair in white calico ready to allow the buyer to cover in a fabric of their choice. We are able to arrange this in our upholstery workshop for an additional charge if wished. A substantial, imposing and very comfortable period armchair to add style to any room. c.1760 Width: 30" (76cm) Depth: 28.5" (72.5cm) Height: 47" (119cm) Depth of seat: 22" (56cm) Height of seat: 15" (38cm)
