Description

A well proportioned 19th Century country house armchair with padded arms and deeply buttoned back. The turned arm supports and legs are golden oak and the chair retains the original salt glazed castors. The condition of this antique library chair is good, the frame is sound and it stands firmly and securely. The upholstery is a rich green mohair velvet in good condition, so much so, we have not recovered it, but this is an option if desired. This is a most attractive and incredibly comfortable Victorian library armchair, offering great versatility to place in any interior scheme. c. 1880 Height: 35" (89cm) Width: 28" 71cm) Depth: 28" (71cm) Depth of seat: 24" (61cm) Height of seat: 16" (41cm)
