Description

A 1930s Omega pocket watch and albert. The watch has a signed stem-winding movement 38.5L.T1 which is working nicely. The serial number is 8,527,175 which dates it back to the second half of the 1930s. The movement is protected by an inner hinged cover. The watch itself measures 47.5mm diameter excluding the winding stem and the loop. The case is case is nickel... the front is in good condition and the back has some unevenness. The inside of the case back has the Omega logo... there is a scratch inside. The watch glass is in good condition. The signed dial has sustained some damage by numbers 3 and 4, and there is a faint hairline crack near to number 12. The watch comes with a double albert with each chain measuring 21cm long including the T-bar and clasp. The watch and chain will be sent in a new presentation box. Free worldwide shipping
