Description

An impressive pair of well carved console tables of a good size for large alcoves or a hall perhaps. Great decor pieces and would be stunning with a pair of gilt mirrors or pictures hanging above them. These are "wall mounted" console tables, so they will need to be secured to the wall for support - this is very straight forward as there are some fitting to the rear. Well carved with the large shaped legs and standing on ball and claw feet. Further wax polishing to be done, but they have cleaned up well and have a good mid mahogany tone to them. Measuring: 28" or 71cm high 42 1/2" or 108cm wide 13" or 33cm deep Delivery to most England, Wales and Scotland addresses at £55, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
