Description

A quite wonderful egg shaped box dating to around 1840 or perhaps even earlier, probably French or Russian, I think French but am not 100% sure. The decoration is outstanding and vivid with hand painted floral garlands, ribbon, box and tassel garlands and all over gold stars. I couldn't believe what I found when I first opened the box, an immaculate original lining in pleated silk, just fabulous. There are a couple of faults to report, but in mind absolutely acceptable; there is some cracking to the enamel above the hinge and some striations to the back, otherwise wonderful condition and without loss of the enamel. A superb find to add to your collection measuring 4" in length and 6" including the chain and finger ring. A gem! Item ID: 31392 ----- FREE Worldwide Registered Airmail; Insurance Optional.
