Description

Very nice quality, mid size French early C19th Directoire style commode with three full width drawers and original deep grey marble top. Good decorative piece with fantastic mahogany grain running throughout the drawer fronts, original brass handles, three locks to the drawers but I don't have a key...I will see if I can locate one! The top drawer, although looks to be three individual drawers, is one full width drawer. Fluted, rounded column corners and standing on lovely turned legs.
