Description

19th Century Gothic Lions Mask Carved Oak Fire Place This mid 19th Century Fire Place was rescued from a French Manor House during extensive renovations The Fireplace is in a Oak, the fire opening has a carved lion on either side and the panels above are decorated in the Gothic style with the tree of life, the detail of all of these is very fine indeed The Fire place is in Good condition structurally, the mantelpiece has a few holes left when the overmantel was removed and there is small piece of wood missing from the bottom This is a very rare piece in handsome condition The fireplace is 50" high, 60" wide and 16" deep, the fire inset is 36" wide and 36" high CE77 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option. In the unlikely event you wish to return an item you should contact us immediately. We will then arrange for you to return it to us at the buyer's expense, the item must be returned back with us in the same condition as it left and a full refund will be issued, there may be a small surcharge to Scotland ...
