Date of manufacture: 1910

Description

A Waltham Royal pocket watch in beautiful condition. The watch has a good quality stem-winding movement with a star wheel regulator, jewelled pallets and a damscened finish to the plates. The movement is fully signed and the serial number 19,016,484 dates it back to 1913. The movement is protected by an inner hinged cover. The watch itself measures 50mm diameter excluding the winding stem and the loop. The case is 10ct gold plated and is the Moon model from the Dennison Watch Case company, a prolific case manufacturer who had close ties with Waltham. This is a good quality case, originally guaranteed to wear for 20 years. The case has a couple of gentle indentations to the back but overall is in good condition. The watch glass is in good condition. The white enamel dial is in beautiful condition. The watch will be sent in a new presentation box. Free worldwide shipping
