Description

Circa 1900-1920 a large and impressive Moreau spelter lamp in very good condition with the clear signature for Louis Moreau foundry, and the label 'Primax' on the base. The light measures 90cm in height and 46cm across at the widest part; the base is 20cm across by 18cm deep. It has been professionally rewired by the previous owner using flex cable and fitted with an online switch. It will need an up to date PAT test before use. The period globe glass shade came with the lamp, and both the figure and the shade are in very good condition with no signs of damage or repair. Please contact us for a delivery quote for both the UK and abroad, thank you. Alternatively, if collection from SW London or the Esher area of Surrey by appointment, we will offer a discount.
