Description

Antique mahogany coffee table with a military campaign style influence. It's very high quality & the brass fittings give it a great look. The mahogany top is surrounded with a brass edge & there are brass corner fittings, with more brass on the ends of the legs. This table has bold straight reeded legs & there are cross stretchers between them. The brass is naturally aged & the mahogany has a lovely grain. I would date this table to around the 1910-20's period & it's in excellent condition. Length – 42 inches, 107 cm Depth – 18 inches, 46 cm Height – 15.5 inches, 39 cm
