Description

A lovely Victorian writing slope with brass banding and matching brass escutcheon and cartouche. The top and front of the box are beautiful Burr Walnut and the rest is made of Mahogany. The interior of the box is fitted with a good quality leather writing surface with gold tooling and there is a removable pen tray. The box also comes with one of its original glass inkwells. Below the writing surface are two small secret drawers, accessed by pulling gently on the dividing piece of wood next to the inkwell. The writing slope is excellent quality and is in good condition for its age with a beautiful patina. The brass work has been lightly polished and it displays very well inside and out. There is a small chip near the back of the box (see photo) but no other major damages to the wood exterior. The leather is in good condition with some wear along the crease and its worth mentioning that the glass inkwell is cracked. I do not have a key for the box. A very beautiful and impressive box that anyone would be proud to own. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery £10 or collection...
