Description

Antique Swiss silver pocket watch 1910. The watch has a nice quality pin set stem-winding movement which is working well. The movement is protected by an inner cover. The watch measures 48.5 mm diameter excluding the stem and the loop. The case is Swiss .800 silver and has continental silver marks. The case has light surface marking from use and a couple of small "dings" to the back but overall is in nice condition for a 1910s piece. The acrylic lens is in nice condition. The white dial is in nice condition. The watch has its original blued steel hands. The watch will come in a new presentation box. Price includes worldwide postage.
