Description

A rare neo-Gothic writing table with superb carved detail mainly in a foliate design: striking pointed-arch pierced ends and carved stretcher, knobs and escutcheon; the rectangular top with carved edges and an inset black leather; good original colour and patina. Please note: we have recently added oak blocks to the bottom of the feet as the writing height and the knee height were both a bit low. The writing height is now 29 ½" (75cm) and knee height 24 ½" (62cm). (See photos)
