Description

A double antique pine wardrobe (Circa: 1890), 2 doors, and 2 bottom drawers - each with wooden knobs. Nice and deep (21.5" internal depth), which should be fine for hanging even large coats etc. I will fit a hanging rail for you, or a shelf with a rail underneath - please let me know of your requirements. Recently stripped of its original paint, it is now in the bare wood ready for waxing or painting. The price includes our professional wax polishing service and the fitting of the rail. Totally dismantles for delivery: I can deliver and assemble this wardrobe for you (please let me have your post code, and I'll quote for this), or if you're confident about assembling yourselves then I can talk you through the process on the phone or provide you with an instructional video.
