Description

Antique stem winding Waltham pocket watch 1912. The watch has a 15 jewel stem-winding movement, grade 614, which is working well. The movement is signed and it has the serial number 18621482 which dates it back to 1912. The movement is protected by an inner hinged cover. The watch measures 50.3mm diameter excluding the winding stem and the loop. The case is 10ct gold filled and is the Moon model made by the Dennison Watch Case Company. The case has light surface marks from use but overall is in nice condition for a 1912 piece. The glass lens is in nice condition. The white enamel dial has several faint hairline cracks by the sub second dial although hardly noticeable, but overall it is in nice condition. The watch has its original gold hands and blued steel sub second hand. The watch comes in a new presentation box. Price includes worldwide postage.
