Description

Antique gun metal Omega pocket watch. Circa 1900 The watch has a stem-winding Omega movement which is working well. The nicely jewelled movement is signed under the dial. The watch measures 51 mm diameter excluding the winding crown and the loop. The gun metal case is signed Omega and has the serial number 1980926. The case has light surface marking from use but overall it is in nice condition for its age. The watch lens is glass and is in nice condition with only the odd minor mark. The dial is in nice condition. The watch has its original rose gold coloured hands. The watch will be sent in a new presentation box. Price includes worldwide postage.
