Description

Unusual early c19th French walnut Vitrine in the Empire style, with mirrored back. Great piece, fantastic faded colour tone to the walnut and richly polished too. Good quality veneers have been used, matched throughout, along with solid columns and shelves. The mirror back is in good condition, without blemishing. The shelves are in fixed positions, although you could unscrew them and relocate them easily if required. The condition is good, just the usual knocks and bumps that come with old age Measuring: 64" or 163cm total height 40 1/2" or 102cm wide 21 1/4" or 54cm deep 15" or 38cm between the shelves currently, though you can adjust them as mentioned.
