Description

This antique leather Camel was probably bought from Liberty of London in the early 20th century. It's quite large & would probably have been bought for a children's room. In fact a child could easily sit on it. It's in good condition. The leather is a lovely colour with lots of character & it has all the details a Camel should have. The eyes are particularly nice & look like they are glass. Width - 35.5 inches, 90 cm Depth - 12.5 inches, 32 cm Height - 42 inches, 107 cm
