Description

Really super quality and fully cleaned / serviced 8 day 12" Fusee wall clock by Joseph Alborn of Windsor, circa 1883. In excellent condition and running very well, keeping excellent time. Mahogany case and the dial itself all in good condition, original brass bezel and hands. The rear case box has two access doors, one at the right side and one below, also there are two further fixing points to the bottom corners...these are very useful to keep the clock in position when you have hung it, only needing a small nail or pin to hold. There is a strong fixing point to the top of the rear box itself. Super clock in great condition, fully restored and ready for many many years of excellent time keeping for you...these clocks have no chime, they are just a time piece. Measuring: 15" or 38cm maximum width 12" or 30cm across the dial itself 6" or 15cm depth Delivery to most England, Wales and Scotland addresses at £55, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
