Description

This is a great quality and great condition American drop dial wall clock by New Haven of Connecticut, USA circa 1920. The clock has been fully cleaned and serviced and is keeping good time. The bell strikes on the hour, though you can have it running with no bell chime if you prefer. The case is in good condition, mahogany and lightly inlaid with the glass window at the base being painted with original black and gilt relief. Easy clock to hang as this is not a heavy clock, though needs a good flat wall to run well! Measuring: 27 1/2" or 70cm height 17" or 43cm wide 5" or 12.5cm depth Delivery to most England, Wales and Scotland addresses at £55, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
