Description

A really beautiful example of these ever popular Vienna wall clocks. The 8 day, quality German movement has just been fully overhauled by our BHI registered staff. It strikes on the half-hour and the hour. The white enamelled dial has black Roman numerals with finely cut hands. It is free from any chips, cracks or crazing. It has a subsidiary seconds dial. The brass weights and pendulum are in excellent condition. The one piece walnut case is beautifully polished with a quarter panelled, book matched backboard. Complete with original winding key. A very handsome clock indeed. All cards accepted.
