Description

Very Large French Wrought Iron & Gilt 8 Branch Chandelier This is an amazing and very heavy chandelier, the main frame of the light is in iron which has superb grey/green verdigris patina, this in turn is set with age darkened gilded brass leaves, sconces and centre piece. The centre piece has a lamp above and the underside is like a Giant sun flower shining a downward light. The 8 arms are hung with tear drop pendants in amber and amethyst, higher up the light is hung with more amber and generous chains, the brass sconces are hung with yet more long icicles. At the top there is an attractive ceiling Rose above upward scrolling acanthus leaves. The light is in working condition, it will need to be installed by a very strong electrician. The chandelier is 36" in diameter and 39" high. CE97 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days.
