Description

Stunning quality late 19th century Hepplewhite style solid mahogany arm or desk chair with original needlework seat cover. This chair is a great design with carved oval back, carved arms and carved tapering front legs with block toes. The back legs have a great sweep to them. The chair is in perfect condition with no damage, cracks or breaks and is a good original colour. Many of the original 18th century examples you see are badly damaged. As good a 19th century example as you'll find. SIZE; 23" across the front, 19" deep, 36" high overall. CIRCA; 1880 - 1890
