Description

A really unusual egg cruet with four egg cups and four egg spoons. I have never seen this model before, created in a naturalistic for with "twigs" creating the frame tied with "rope" at the top. The four egg cups hang on little hooks and have naturalistic twig feet. There are four egg spoons, one hanging in each corner and each having a grand looking Lion Armorial Crest engraved on the handle. Excellent condition dating to the late Victorian in era, measuring 10" wide x 3 1/2" deep x 6 1/2" tall. Item ID: 40197 FREE Worldwide Registered Airmail Directly From London, England
