Description

This is an incredible example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. It has a calibre 23ZSD manual winding movement which is just superb. The dial is original and has not been retouched or restored and is in wonderful condition, it has rose gold hands and baton markers and the date facility. The case measures 34mm in diameter excluding the winding crown, of course it has the Longines logo on the crown and of course marked Longines on the movement and case. It also comes with its original box and a premium quality black leather strap. It has been professionally serviced and overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled using manufacturers approved oils and lubricants and is carried out in a clean room environment. The movement is then checked and adjusted for accurate time keeping. The cases are polished and sealed. Ob...
