Description

Antique key winding white metal pocket watch. The watch has a key-winding movement which is working well. A winding key is included. The movement has 15 jewels and a lever escapement. The movement is protected by an inner cover. The watch measures 48.2 mm diameter excluding the stem and the loop. The case is silver and although not hallmarked it has tested positive for silver. The case has light surface marks from use but overall it is in nice condition. The inner cover has some surface marking from use. The watch glass is in nice condition. The white dial has the odd minor mark but overall it is in nice condition. The watch has its original gold hands and a blued steel sub seconds hand. The watch will be sent in a new presentation box. Price includes worldwide postage.
